Discussed vote margin of 600 votes in override election, vote committee may go again in November for re-vote. May be asked to have voting station come back to Frontier. This may encourage more voters to vote by providing a closer polling place. Will have to look closely at safety, parking and where to vote.

At the last district meeting a discussion of ending the gifted program, arts, music, P.E., PAL, athletics as possibilities to reduce 6 million dollar shortfall. If we do not pass the next election we will start cutting specials.
